

The 3rd Asia-Oceania Conference on **OBESITY**

Obesity and Metabolic Syndrome
New Frontiers of Treatment

2005

November 26-27, 2005, Kuala Lumpur, Malaysia

Dear Colleagues

Greetings from Taiwan!

Welcome to participate in the 3rd Asia-Oceania Conference on Obesity on February 26-27, 2008 in Taipei, Taiwan, R.O.C.

Obesity has become an epidemic problem not only in the world but also in Asia-Oceania region. The Organizing Committee offers a great program about obesity and metabolic syndrome in the conference. The topics will cover the burden of obesity, genetics of obesity, adipocytokines in obesity, and metabolic syndrome. In the first symposium, we will discuss the definition of obesity in the Asia-Oceania region, prevalence of obesity in the Asia-Oceania region, genetic and environmental interactions on human obesity and the management of obesity.

On behalf of the Organizing Committee of the 3rd Asia-Oceania Conference on Obesity, we would like to invite you to attend the Conference Session. There are delicious traditional Chinese food and warm hospitality in the Chinese medicine art.

Yours Sincerely,

Honorary President

Ray-Chiang Lin, MD, Dr. PH

Chairman

Yue-Hsi Lin, MD

Chairman
